

DESTINY BARCODE LABEL PLACEMENT

Effective November 2011, all LAUSD-barcoded textbook copies entered into the Destiny Textbook Manager database will be labeled with two barcode labels. The recommended placement of the labels is illustrated below.

FIRST LABEL:

Place label on the spine of the textbook as shown

SECOND LABEL:

Place label on the inside front cover of the textbook as shown:

If the spine does not allow enough space for a label, the exterior label should be placed on the upper right of the back cover, **1 in.** in from the spine and **1 in.** down from the top
